Two salesgirls were discussing their love affairs.

"My fiance" said one, "has been telling everyone that he's going to marry the most beautiful girl in the world."
"Gee, that's too bad," said the other clerk, "after all the time you went with him."

.....

Guy: "What has red eyes, hundreds of legs, and a yellow back with black stripes?"

Gal: "I give up. What is it?"

Guy: "I don't know either, but I watched it crawl up your leg until it disappeared beneath your dress!"

.....

She (cooly): "You bad boy. Don't kiss me again!"

He: "I won't. I'm trying to find out who has the gin in this party."

.....

"Who gave you the black eye, Henry?"

"Nobody gave it to me, I had to fight for it."

.....

Artist: "It took me ten years to realize that I had no talent for painting."

"So then you gave it up?"

"No, by that time I was so famous I could not afford to give it up."

.....

A hen-pecked husband was terribly disappointed when his wife gave birth to a baby daughter. He confided to a friend, "I was hoping for a boy to help me with the housework."

"Don't keep telling her that you are unworthy of her."

"Why not?"

"Let it come to her as a surprise."

.....

"What is 'college bred', Pop?"

"College bred is a four-year loaf made from the flavor of youth, and the old man's dough."

.....

Two cats were watching a tennis match. One was extremely intent on the game, never missing a stroke and closely followed the ball back and forth.

"I never knew you were such an ardent tennis fan", remarked the less interested cat to his companion. "I'm not, really", replied the other, not taking his eyes from the court, "but my old man's in the racket."

.....

If these electronic brains are so smart, how come they've got themselves stuck with so much work?

.....

"Bobby has so much trouble with rheumatism and arthritis."

"Have you taken him to the doctor?"

"It isn't that; he has trouble spelling them."

.....

Notice in Lost and Found: "Lost: light blue dress, night of Share-the-Fun Contest."

"The boss said he saw you going home long after midnight. What were you doing?"

"We were playing golf."

"Playing golf at that time of night?"

"Yes; we were using night clubs."

.....

A man never knows whether he likes bathing beauties until he has bathed one.

.....

Pedro had recently been married and a friend asked him how things were going. "O K, I theenk -- but I theenk maybe I married my seester!"

"Why do you theenk that?"

"All the time she giggle and say to me, 'Oh, Brother!'"

.....

Two Robins were on the lawn discussing politics: "What do you think of the new governor?"

"I'm all for him because everyone says he is for us birds."

.....

"Are you the brave man who saved my little boy when he fell through the ice?"

"Yes mam."

"Well, what did you do with his mittens?"

.....

Julio would make a perfect Juliet -- she can't act, but oh brother, can she lean over the balcony!
